

# Lesson Plan

video [https://youtu.be/hNfVAIW\\_lak](https://youtu.be/hNfVAIW_lak)

Business/Materials	Lesson Objectives			
mobiles with camera, whatsapp app, , hotel online booking app, and internet connection, video projector	<p>The students will reserve a hotel and make a video call to the class group.</p> <p>The students will learn how to use technology in daily lives, and improve their English skills.</p>			
Warm-up and Objective Discussion				
<p>start with a youtube video explaining the Hotel.com app on youtube <a href="https://www.youtube.com/watch?v=Zu3fsdNX2Qo">https://www.youtube.com/watch?v=Zu3fsdNX2Qo</a>            Ask the students if they had seen the app or if their parents use online hotel room booking?</p>				
Instruct and Model	<input type="checkbox"/> R	<input type="checkbox"/> W	<input type="checkbox"/> L	<input type="checkbox"/> S
<p>Give the link to the students to install the app on google play if android or apple store otherwise., use the video projector to show the steps on my own device.            Walk around between the students and make sure everyone is able to install it.</p>				
Guided Practice	<input type="checkbox"/> R	<input type="checkbox"/> W	<input type="checkbox"/> L	<input type="checkbox"/> S
<p>Break the students up into a certain number of groups so that the faster and experienced kids are evenly distributed and so that there are 4-5 people in each group. Have each group discuss between them how would they like to travel, to which country and what kind of accommodation, cheap hotel or expensive.</p>				
Independent Practice	<input type="checkbox"/> R	<input type="checkbox"/> W	<input type="checkbox"/> L	<input type="checkbox"/> S
<p>Have the students individually try to make a hotel reservation of their choice. Walk around between the students and help and encourage to complete the task.</p>				

<b>Assessment</b>	<input type="checkbox"/> R	<input type="checkbox"/> W	<input type="checkbox"/> L	<input type="checkbox"/> S
<p>Have the students send a video message to the whatsapp group with a 1-2 minutes telling them they have reserved an hotel room, with the below information</p> <ol style="list-style-type: none"><li>1- country and city</li><li>2- name of the hotel</li><li>3- type of room</li><li>4- if breakfast is included</li><li>5- services provided like free internet</li><li>6- price</li></ol>
