Business/Materials	Lesson Objectives
<p>foreign currency, passport, old airplane ticket if available, video from YouTube showing an airports ==== I would give my students a copy of the article below.</p> <p>Link to the article: https://www.nomadicmatt.com/travel-blogs/how-to-travel-africa</p>	<p>Today we will talk about traveling. First have you ever traveled outside your country? In this lesson we will discuss what experiences and words you will find when traveling outside your country. Teacher talk</p> <p>Last week we talked about money, traveling outside your country may need to exchange your money so words from last week are necessary when traveling.</p> <p>Focuses on Technology</p> <p>We will also get familiar with a phone app to book airline tickets. https://play.google.com/store/apps/details?id=com.ethiopianairlines.ethiopianairlines</p>
Warm-up and Objective Discussion	
<p>The goals on this lesson is travel, the key points are</p> <ol style="list-style-type: none"> 1- Learn how to use money and foreign currency 2- documents > Become familiar with documents, passport and airline ticket 3- Airport or train station > Navigate around an airport or a train station >> show them the use of the app to book and order a flight ticket 4- Hotels > Book a Hotel room 5- language barriers >>> On this point I would show translator apps and google translator ===== <p>Ask students to share where they have seen relevant information for other countries. Explain that the article is very important because: - they can help present a lot of information - study the different verbs on this article - they help us recognize the importance to have programming language skills</p>	

Objective Discussion:

Put the students in pairs and have them install the application and share their experience with their partner. Have the students provide feedback on their partner’s experience. Then bring the class back together and show them the what can you do with the app. Discuss any problems the students have. Have the students go back and book a flight ticket.

The goals on this lesson is travel, the key points are

becoming familiar with phone apps for booking flight tickets, hotel reservations and google translator.
